Dear Youssef,

On behalf of IMAA's members, I would like to extend a sincere thank you to you and all the staff in the media arts section involved in processing the grant requests within the new program for media arts organizations. A special thanks to you and Michèle Stanley for recognizing the importance of providing stability to the organizations who depend on operating funding from the Canada Council, especially at the beginning of a new fiscal year.

We wish to acknowledge all the hard work and dedication evident within the media arts section at the Council. This progressive and supportive approach proves that the media arts section at Canada Council has a good understanding of the needs of its community.

I look forward to working with you on our shared goals for the media arts moving forward.

Sincerely,

Jennifer Dorner, National Director
